

PRE-SQUADDING RULES

We are offering an optional pre-squadding service by mail in forms located in this program. All mail in requests will be processed based on date received. There is a \$2.00 per event non-refundable charge, payable when pre-squad form is submitted. The service charge is not applicable towards entry fees. No request forms will be accepted after July 17, 2017.

1. When you squad for a position in any event, that position is now electronically assigned to your ATA number. When you present your plastic ATA card at the cashier counter, the cashier will enter you into that assigned position for the events you wish to pay for. If you do not wish to enter an event that you have previously squadded for, you may release that position at any squadding or cashier window.
2. In an effort to avoid unused positions, it is imperative that you either cashier or release all positions you have pre-squadded for prior to the event. **Anyone who does not cashier or release positions that have been pre-squadded in their names will risk having any or all subsequent pre-squadded positions in their name released by management.** You may call the office at 319-987-2141 if you can not make it to the club in time and have your position(s) released.
3. **A shooter may only draw one position per event.** Any shooters wishing to squad together must fill out only one application indicating the shooters full name, ATA number, and handicap yardage on the line indicating which position that shooter wishes to shoot. Applications for full or partial squads that do not have each shooter's information completely and properly filled out will not be honored. **Multiple applications for any individual will be discarded and will not be refunded. The first application encountered will be processed only.**
4. The times requested for pre-squadding will be limited to three flights as follows:
 - (E)arly – 1st Flight
 - (M)iddle – 2nd Flight
 - (L)ate – 3rd FlightPlease circle on the pre-squad form if your priority is, time or trap, in case your selection is full.
5. **Squadding will follow ATA rules.**
6. Telephone requests will not be honored.
