Parking:

Parking is extremely limited and carpooling is encouraged. There is absolutely no parking in the camping and vending areas except by those authorized by ISTA to do so.

Team Trailer Parking: Due to the lack of adherence to rules pertaining to team trailer parking, the ISTA will no longer be marking reserved trailer sites.

If you are bringing a team trailer, you are welcome to mark off a space no larger than 20 linear feet of trap line parking to include your team trailer, tow vehicle and a small pop-up tent. These sites cannot be staked until after 1pm on Monday, June 7, 2021. Anyone found staking more than the allotted space will be subject to having their site deleted by ISTA Staff.

Parking on ISTA grounds is primarily for participants, campers, vendors and team trailers. All others are to park across the road in the designated lots.

All bus parking will be off-site. Your team bus may off-load at the range but will not be able to park on grounds. The off-site parking is located across the road from the east range entrance.
